

INTERNATIONAL YOUTH BASKETBALL CULUKO SPORTS TRAINING

Kent Culuko - President

Dear Employer,

The International Youth Basketball organization (IYB) is a non-profit 501C3 company that provides children ages 6-18 year round basketball services. We offer boys and girls ages 6-18 summer basketball camps, year round youth leagues, tournaments on the (regional, state, national and international levels), team and coaches clinics and personal training. We help thousands of children per year from Bergen County and surrounding counties with our programs. We staff 20 volunteer coaches throughout the year to ensure every child has a positive experience.

This year we would like to extend an invitation to the under privileged youth in the area to attend and reap the same benefits as the other more fortunate children. We are looking to assist the under privileged children with their skills as well as give them a positive experience that they may not be able to get in their own communities.

Presently we are looking to open a facility in the Bergen County area that will offer year round training and activities giving the community a resource for children of all ages. As a non-profit organization we cannot accomplish this goal without contributions from generous companies like yours.

Our goal as a non-profit organization is to provide all youth with the opportunity to experience the sport of basketball, to gain sportsmanship and to create team spirited well rounded individuals. Children going through our program as they grow into adults will be able to reflect back positively on the years they spent with us and for some the IYB could build a bright future in the sport.

Your contribution will not only allow IYB to fund our summer program for the under privileged children, but also fund the facility which we are hoping to open in the summer of 2006. As a token of our gratitude we will post a banner with your company's name in our gym, so all of our participants and community members would know of your kind donation.
